Named a Best Book of 2017 by NPR and GQ Joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of

iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars, and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that

gave birth to a new era in modern rock-and-roll. A girl with no memory, hidden in plain sight ... A boy with no hope, spiraling into Darkness ... Only one knows the truth, and only one has the power to save them. Autumn doesn't know why she remembers a boarding school she's never visited, or why her reflection is sometimes that of a ghost named Summer. She struggles to recover her memories and understand the warnings conveyed through her magick. Caught between the Turner twins, she isn't certain who to trust: Decker, the mysterious Master of Dark, who makes her heart catch, or Beck, the cautious Master of Light, whose touch soothes her pain. Unable to recover from Summer's death, Decker slowly surrenders to the Dark. The guilt he feels when he falls for Autumn – and betrays Summer's memory – drives him farther from the Light, until he completely loses control and takes the souls of Light witchlings. As the protector of Light, Beck is caught between his allegiance to his twin and his vow to protect new witchlings. He must keep the Darkness from consuming his brother, for if Decker fails, he'll take down the only person who has a chance of saving them all. Caught in the war between the White and Black Gods, Sofia and her rare gift bring victory to he who grabs her first. Her difficult transition from human to oracle forces her into a new world, where she struggles in her role as Damian's mate and to help a mysterious man who's supposed to be dead. Featured in

Kimber couldn't be any more different than Reader, the self-professed supervillainess-in-training, who insists she has superpowers that just so happen not to work around him. She's deranged, violent, abrasive – and has never known kindness from anyone else. Unfortunately, helping her places Kimber in the crosshairs of Reader's arch-nemesis. Drawn to the part of her that's good yet horrified by her dark, violent world, Kimber finds himself at a crossroads: become Sand City's superhero, at the potential cost of his own life, or abandon the city, the people and the compelling supervillainess who need him. A significant book about one girl's struggle with suicide. Daelyn is fifteen years old, and in her mind she is a failure. She tried slitting her wrists, and she was rescued. She tried swallowing chemicals, and after burning through her esophagus enough to lose the

ability to speak, she was rescued. But this time will be different. As readers see Daelyn's touching friendship with a quirky seventeen year-old boy develop and her newfound willingness to share all of the pain she has held inside of her, they may just see a glimmer of hope. Will Daelyn see it though? Raw and heartfelt, this is an inside look into the mind of a teen who has lost the will to fight and the parents that will do anything they can to help her survive. Still, there are some things that even loving parents can't protect you from--yourself. We hope that this book will help to open a dialogue about this increasingly prevalent issue.
