hp and hp2 what is the difference Mar 20 2022 nov 23 2019 imho no difference between hp

non hp blocks other than the stamping also i agree with source i never saw any cylinder wall thickness difference between any year of block only the difference from one block to another due to core shift or other casting differences the ones i weighed also were nearly the same early or later

15 hp 2 vs 4 stroke dedicated to the smallest of skiffs Mar 08 2021 jan 29 2015 1 957 posts 5 jan 27 2015 the weight difference between a 15 hp 2 stroke and 4 stroke is probably not worth worrying about but if you fish and run in shallow water the hole shot is the 2 stroke will get you on plane much faster buying a new 4 stroke to save gas doesn't make a lot of sense

yamaha 8hp 2 stroke enduro short shaft outboard engine Jul 24 2022 2 stroke working volume 165 cc bore x stroke 50 x 42 mm power on the propeller shaft in the middle speed range full throttle range 4 500 lubrication system premix fuel system carburetor ignition add system cdi condenser ignition system launch system manually gm gear ratio 2 08 27 13 recommended vessel transom height s 442 mm weight with
