The Amish Quiltmaker's Unruly In-Law Nov 28 2019 Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem.

But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham "This is an endearing romance that fans of Wanda Brunstetter will love." —Publishers Weekly
