'The Scene That Would Not Die: Twenty Years of Post-Millennial Punk In The UK' is the fifth and final book in Ian Glasper's acclaimed series documenting the UK punk scene, bringing to a conclusion his in-depth analysis of this most underground musical genre, that began with 2003's 'Burning Britain: A History of UK Punk 1980 - 1984'. Featuring 111 bands active since 2000, hundreds of exclusive new interviews and previously unseen photos, this book explores the many insidious challenges faced by the scene: hedonism, nostalgia and apolitical apathy, not to mention coronavirus, Brexit and the rise of social media completely removing the mystique that drew many to punk rock in the first place. All could have derailed lesser genres, and there are indeed many detractors that have pronounced punk as a creative force dead in the water. But the reality - if you scratch beneath the surface - is that punk has gone underground once again, and is as vibrant and relevant as it's always been; there are still thousands of angry youths making vital music the length and breadth of the nation, and they still don't need permission from anyone to have their say. 648 pages. 234 x 156 x 40mm This is the ideal beginner's book, presenting the basics of playing the 5-string banjo in a way that is both fun and produces quick results. Janet Davis takes you on an extensive tour of this instrument's fundamental techniques as well as some intermediate possibilities including rolls, chords, bluegrass banjo techniques, playing up the neck, licks, endings, and other basic information needed to play bluegrass and melodic-style banjo. Thorough performance notes are provided from beginning to end revealing the secrets of this versatile traditional instrument. Are you gonna be a mighty king? Maybe you're even working on your roar?
