THE SECRETS OF SUPERHUMAN PERFORMANCE Never have the best sportspeople seemed so far removed from the rest of us, their prowess so unfathomable. So how are these extraordinary athletes made? THE BEST reveals how the most incredible sportspeople in the world get to the top and stay there. It is a unique look at the path to sporting greatness; a story of origins, practice, genetics and psychology. Packed with gripping personal stories and interviews with top athletes including Elena Delle Donne, Pete Sampras, Joey Votto, Steph Curry, Kurt Warner and Premier League superstars Marcus Rashford and Jamie Carragher, it explains how the best athletes develop the extraordinary skills that allow them to perform remarkable feats under extreme pressure. THE BEST uncovers startling truths of athletic greatness-including why younger siblings have more chance of becoming elite, which towns produce the most superstars, the role of informal play and the best time to be born in the school year. It goes inside the minds of champions to understand what makes them perform during high-octane competition, how to hit a baseball or tennis ball in under 0.5 seconds, the secrets of how the best train and what makes a great leader. The book appeals to all lovers of sport, anyone with an interest in psychology and excellence, the parents of budding athletes, and fans of books like Freakonomics, Outliers and Range. It is a deconstruction of what it takes to be the best-and how we can all improve in sport and beyond. Called “remarkable” (The Wall Street Journal) and “an ambitious, colossal debut novel!” (Publishers Weekly), Helen DeWitt’s The Last Samurai is back in print at last Helen

DeWitt's 2000 debut, *The Last Samurai*, was "destined to become a cult classic" (Miramax). The enterprising publisher sold the rights in twenty countries, so "Why not just, 'destined to become a classic?'" (Garth Risk Hallberg) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo's shoulder find themselves easily reading Greek and more.) Lacking male role models for a fatherless boy, Sibylla turns to endless replays of Kurosawa's masterpiece *Seven Samurai*. But Ludo is obsessed with the one thing he wants and doesn't know: his father's name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He'll be punched, sliced, and threatened with retribution. He may not live to see twelve. Or he may find a real samurai and save a mother who thinks boredom a fate worse than death. Fans have fallen in love with Liz Climo's charmingly quirky animal kingdom, which was first featured in *The Little World of Liz Climo* a place where porcupines, anteaters, and grizzly bears all grapple with everyday life with wit and humor. Now Liz returns with a book devoted to friendship. Chapter themes include "Old Friends," "New Friends," "Unlikely Friends," and "Friends with Benefits." It's the perfect gift for a special friend. Over his forty years in the game of basketball at the collegiate and professional levels, Kevin Eastman has become widely known as one of the very best teachers in the game. He is also a lifelong student of the coaches and players at the highest levels. As a coach of the 2008 NBA Champion Boston Celtics, Kevin has lived in the world of the best while observing and studying them every day. He studies what makes the best—their habits, mindsets, strategies and every day choices. Known as a thought leader in the basketball and sports worlds, Kevin is now an engaging speaker who inspires a wide range of audiences, from college and professional sports teams, to diverse corporate and government groups. Kevin's curiosity and dedication to learning provide the backdrop for delivering powerful talks on leadership, culture, teamwork, and why the best are the best. Today's programmers are often narrowly trained because the industry moves too fast. That's where *Write Great Code, Volume 1: Understanding the Machine* comes in. This, the first of four volumes by author Randall Hyde, teaches important concepts of machine organization in a language-independent fashion, giving programmers what they need to know to write great code in any language, without the usual overhead of learning assembly language to master this topic. A solid foundation in software engineering, *The Write Great Code* series will help programmers make wiser choices with respect to programming statements and data types when writing software. Use this assessment to test your students' understanding of the key ideas, details, and text structures of an informational text! Students will also be assessed on their ability to evaluate and draw reasonable conclusions about the text. Daniel Tiger and Prince Wednesday are best friends, and they enjoy their time together, sharing their toys and helping each other when things don't go as planned. New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award "Nimbly splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan's book is bursting with life (and yes, death)." —Robert Moor, New York Times Book Review *The Great Lakes*—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. *The Death and Life of the Great Lakes* is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come. Presents 350 of the best recipes from more than twenty years of the popular cooking magazine, Pillsbury: *Classic Cookbooks*, accompanied by detailed instructions, nutrition information, and 110 full-color, step-by-step photographs. 75,000 first printing. In *Mission: How the Best in Business Break Through*, Michael Hayman and Nick Giles show companies how to join the ranks of today's business winners. Business as usual is over. Belief is the new currency and to succeed you must follow new rules: purpose as the route to profit; mind share to gain market share. The best in business are defined by mission: a singular cause, a defining ambition. They stand out as campaigners, activists fighting to lead industries and redefine them. And they win through with momentum, explosive growth that outruns the

competition. From tech pioneers Google and Airbnb, to retail giant Whole Foods and British success stories such as Ella's Kitchen, Mission shows how business is changing people's lives through the power of purpose, culture and campaigning. How caring, sharing and daring companies have opened a new chapter for the world of business. Uncover the secrets of what it takes to succeed: how to discover and define your commercial purpose, hone it into a campaign and turn customers into advocates. Harness the power of momentum. Find your mission. "Genius... It is miraculous to read these pieces... You must read *The Best of Me*." —Andrew Sean Greer, *New York Times Book Review* A *New York Times Book Review* Editors' Choice A CNN and Christian Science Monitor Best Book of the Month For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say "give it to me" in five languages, and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms—at long last—with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected—it's often harder, more fraught, and certainly weirder—but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called "the funniest man alive" (*Time Out New York*), *The Best of Me* spans a career spent watching and learning and laughing—quite often at himself—and invites readers deep into the world of one of the most brilliant and original writers of our time. Kelly's mom doesn't understand all of the reasons why red is the best color. Through minimal text and elegant illustration, Kelly shows her mom why juice tastes better in the red cup, red pyjamas keep the monsters away at night, and red boots take bigger steps. *Red is Best* is the classic best-selling picture book by Kathy Stinson and Robin Baird Lewis, available now as an e-book. "Business Adventures remains the best business book I've ever read." —Bill Gates, *The Wall Street Journal* What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety; these notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. Longtime New Yorker contributor John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history repeats itself. Five additional stories on equally fascinating subjects round out this wonderful collection that will both entertain and inform readers . . . *Business Adventures* is truly financial journalism at its liveliest and best. Collects nature- and science-based essays by such authors as Anne Fadiman, Brian Hayes, Cullen Murphy, and Gary Taubes. This book gives students a wildly entertaining, visionary piece that offers a compelling new way to see the future of technology. They'll learn the fascinating ways to think beyond screens using three principles that can lead toward more meaningful innovation. Whether they're working in the technology industry or just concerned about our technological future, they'll find this insightful and creative book captivating. "It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. Robinson, a recruiting professional with over twenty years experience, shows you how to ;Use a Data-Driven Job Profile to Assess Candidate Risk ;Build a Candidate Scorecard ;Rate the Candidate's Core Competencies ;Ask the Right Questions to Dig Deeper in Interviews ;Craft an Offer the Candidate Can't Refuse Better Results. By following Robinson's in-depth process, you can eliminate guesswork and focus on building a team that will bring value to your company's culture and bottom line. Here is an informative introduction to language: its origins in the past, its growth through history, and its present use for communication between peoples. It is at the same time a history of language, a guide to foreign tongues, and a method for learning them. It shows, through basic vocabularies, family resemblances of languages -- Teutonic, Romance, Greek -- helpful tricks of translation, key combinations of roots and phonetic patterns. It presents by common-sense methods the most helpful approach to the mastery of many languages; it condenses vocabulary to a minimum of essential words; it simplifies grammar in an entirely new way; and it teaches a language as it is actually used in everyday life. Fantastic resource for teachers, children's church and VBS workers, children's choir directors, parents, and grandparents. Anyone who uses music with kids of any age will want this one-of-a-kind treasury. Includes 230 songs, Divided into age-group sections: early childhood, early elementary, and late elementary. Songs also divided by topic, with a wide variety of general and seasonal themes. Songbook format, including melody, words, piano accompaniment, and chord symbols New York Times Bestseller Foreword by Dr. Phil McGraw Ask yourself...are you truly who you want to be? Is this the life you really want? Are you living each day as your best self? What can you change, today? How would you answer those questions? Think about your daily life. Are you thriving, or going through the motions? Are your days full of work, relationships and activities that are true to your authentic self, or do you feel trapped on a treadmill of responsibility? If you dream of a better life, now is the time to turn your dream into reality. And the tools you need are within your grasp, to design a life that is fulfilling on the deepest levels. Best Self will show you how. Mike Bayer, known to the thousands of clients whose lives he has changed as Coach Mike, has helped everyone from pop stars to business executives to people just like you discover the freedom to be their best selves. By asking them and leading them to ask themselves a series of important but tough questions--such as "What are your core values?" "Do you go to bed each day more knowledgeable than when you woke up?" and "Am I neglecting some aspect of my physical health out of fear or denial?"--he helps them see what their Best Selves and Anti-Selves really look like. As a mental health specialist, a personal development coach, and an all-around change agent, Mike has seen the amazing ways in which lives can improve with honesty and clarity. He understands our struggles intimately, because he's faced--and overcome--his own. And he knows that change is possible. By working through each of the Seven SPHERES of life--Social, Personal, Health, Education, Relationships, Employment and Spiritual Development--Best Self is an accessible and interactive book that distills all of Coach Mike's wisdom into a compact, focused guide that will ignite anyone's desire for change. Chock full of revealing quizzes, and full of provocative questionnaires, Best Self will empower you to embrace your authenticity, acknowledge what is holding you back, and break through to live a passionate life to the fullest, forever. The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system.

Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. Hillary Is the Best Choice presents a more balanced view of politics. To start with, politics is neither good nor bad. It is neutral. It can either go good or bad depending on the politicians who are involved. For the first time in American presidential politics, for example, we have a woman candidate. In previous elections, when only men were presidential contenders, the tendency to play "dirty" was always a great temptation. With Hillary Clinton, Democratic Senator from New York and our country's former First Lady, as one of the current leading presidential aspirants, it is our hope that the old pattern of negativity will be replaced by a new pattern of political civility. Politics can be a clean activity. And elections, especially presidential ones, ought to be a matter of choosing the better of two goods (when an independent or third party candidate is running, it will be a matter of choosing the best of three). Follows a young boy as he helps to care for the new baby in his family. Akari Tachibana, and her coworker, Onda-san, are more than just friends...they're both hardcore idol fans! But when Onda-san confesses to Akari out of the blue, she's floored. Of course it would be great to date someone with whom she shares so many interests, but can she navigate this new dimension to their relationship? Everyone needs a little help sometimes, and often the best helpers are our family members. Readers of this delightful book will see how families can make hard times easier to handle, and how they can help us through tough situations in life. They'll also learn the importance of working as a team and helping each other out, especially when it comes to family. Colorful illustrations supplement easy-to-digest textual content, helping to tell a story of love and support. From the best-selling author of the Here I Come! series, this collection of poems makes a perfect gift for grandmas, abuelas, and bubbes everywhere. "A mirror that captures love and reflects it back to its source—a devoted grandmother."—Kirkus Reviews Children can celebrate their grandma with this illustrated collection of short poems -- one to a page -- that honors the memories and experiences with the woman they know and love. From playing Doctor with Grandma to sitting on her lap to read a favorite story, this gift book from the best-selling author of the Here I Come! series is perfect for any grandmother. Xuya Zhao runs from America to China, running away from her American problems. However, China is full of surprises for her, all kinds: the secrets her family has kept over the years, the unbreakable bond with her girlhood buddies, the magic power of her grandmother, the mystery of the jade pendants, the reunions and encounters with friends, sweethearts, acquaintances, and old enemies. Now she has a chance to settle those unsettled en en yuan yuan (passions and resentments) from the Cultural Revolution and to make sense of her complicated lives in both China and America. Thus, her return-home adventure turns into a journey of self-rediscovery. "What is the best place you have ever visited? What would you say about it to convince others to go? In this book, students write about the best places they've ever visited. Read their arguments to help you decide: What is the best place to visit?" -- Back cover. Bluey and Bingo love their mum, and she loves them! Read all about it in this adorable paper-over-board picture book featuring everyone's favorite Heelers! Based on the wildly successful animated series, Bluey, as seen on Disney+. Discover all of Chilli's mum skills from playing Grannies, dancing, and taking care of Bluey and Bingo. She even makes brushing their teeth and fur fun in this adorable and hilarious book. And, most importantly, Mum teaches them that the world is a magical place. This is the perfect book to celebrate Mom on Mother's Day, or any day! The Best Things in Life are Free is packed full of money-saving tips for the global traveller. From parks, museums and exercise

classes that are free, to insider ideas on food and experiences offered at great value, this book features over 60 major cities around the world and promises to help anyone on a budget to make the most of their trip. “An outstanding book . . . documents how the VA’s system of integrative care outperforms the models used by private insurers.” —USW Blog (United Steelworkers) NEW EDITION, REVISED AND UPDATED Phillip Longman tells the amazing story of the turnaround of the Department of Veterans Affairs health-care system from a dysfunctional, scandal-prone bureaucracy into the benchmark for high-quality medicine in the United States. Best Care Anywhere shows that vast swaths of what we think we know about health, health care, and medical economics are just plain wrong. And the book demonstrates how this extraordinarily cost-effective model, which has proven to be highly popular with veterans, can be made available to everyone. New to this edition is an analysis of how the shortcomings of both so-called Obamacare and Republican plans to privatize Medicare reinforce the need for applying the lessons of the VA. Also included are completely updated statistics and research, as well as examples of how the private sector is already beginning to learn from the VA’s example. “Among the most important social policy books published in the last decade.” —Ezra Klein, The Washington Post “Read Best Care Anywhere not just to learn about one of our public health agencies that is a global star in terms of cost effective, evidence-based results, but also to learn how your own health care process can be improved by adopting the Veterans Health Administration’s methodology for transparency and patient-centered care.” —New York Journal of Books Wall Street Journal Bestseller A thought-provoking, accessible, and essential exploration of why some leaders (“Diminishers”) drain capability and intelligence from their teams, while others (“Multipliers”) amplify it to produce better results. Including a foreword by Stephen R. Covey, as well the five key disciplines that turn smart leaders into genius makers, Multipliers is a must-read for everyone from first-time managers to world leaders. It has been almost 20 years since the nightmare ended. I have made several attempts to put my story on paper, but as I began reading the depositions, etc., the hurt, anger, betray, darkness and depression all came back. I was reliving everything again. I could hear their voices, their selective memories and sometimes right out lies. Why do this? I finally realized that had I had access to a similar story of the hell I went through, it would have strengthened me and made the ordeal less lonely, and reaffirm that one could succeed and survive. If my story offers comfort or hope to one person who is or has gone through hard times, or help someone understand a person who has, then it will all have been worth it. “Bob Chapman, CEO of the \$1.7 billion manufacturing company Barry-Wehmiller, is on a mission to change the way businesses treat their employees.” – Inc. Magazine Starting in 1997, Bob Chapman and Barry-Wehmiller have pioneered a dramatically different approach to leadership that creates off-the-charts morale, loyalty, creativity, and business performance. The company utterly rejects the idea that employees are simply functions, to be moved around, “managed” with carrots and sticks, or discarded at will. Instead, Barry-Wehmiller manifests the reality that every single person matters, just like in a family. That’s not a cliché on a mission statement; it’s the bedrock of the company’s success. During tough times a family pulls together, makes sacrifices together, and endures short-term pain together. If a parent loses his or her job, a family doesn’t lay off one of the kids. That’s the approach Barry-Wehmiller took when the Great Recession caused revenue to plunge for more than a year. Instead of mass layoffs, they found creative and caring ways to cut costs, such as asking team members to take a month of unpaid leave. As a result, Barry-Wehmiller emerged from the downturn with higher employee morale than ever before. It’s natural to be skeptical when you first hear about this approach. Every time Barry-Wehmiller acquires a company that relied on traditional management practices, the new team members are skeptical too. But they soon learn what it’s like to work at an exceptional workplace where the goal is for everyone to feel trusted and cared for—and where it’s expected that they will justify that trust by caring for each other and putting the common good first. Chapman and coauthor Raj Sisodia show how any organization can reject the traumatic consequences of rolling layoffs, dehumanizing rules, and hypercompetitive cultures. Once you stop treating people like functions or costs, disengaged workers begin to share their gifts and talents toward a shared future. Uninspired workers stop feeling that their jobs have no meaning. Frustrated workers stop taking their bad days out on their spouses and kids. And everyone stops counting the minutes until it’s time to go home. This book chronicles Chapman’s journey to find his true calling, going behind the scenes as his team tackles real-world challenges with caring, empathy, and inspiration. It also provides clear steps to transform your own workplace, whether you lead two people or two hundred thousand. While the Barry-Wehmiller

way isn't easy, it is simple. As the authors put it: "Everyone wants to do better. Trust them. Leaders are everywhere. Find them. People achieve good things, big and small, every day. Celebrate them. Some people wish things were different. Listen to them. Everybody matters. Show them." From the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, Colleen Hoover's bestselling *Slammed* series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's. Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can't resist his wife's pleas, and so he begins to untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In *This Girl*, Will tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved *Slammed* series.
