They're just a myth, a story, a scam, a hoax, a publicity stunt. All of those things and more have been said on the subject...And yet, for decades now, scientists all over the world have spent millions, in both cash and man-hours, investigating this phenomenon. Why would they do this? Why spend time and money on a myth? Why dedicate your life to a practical joke? Because that's what it must be, right? And all of those videos and sightings of them? Just products of imagination and attempts to cash in on the gag, of course... People encountering Bigfoots is nothing uncommon, stories like that have been around for thousands of years.Are all of them really lies though? Out of the thousands of these stories, are we really meant to believe none of them are true? We could say all of those people are liars, but sometimes, you just can't ignore the numbers you're dealing with.So if you do believe it's just a myth and a joke, why should you keep them in mind when roaming the woods? Because the most dangerous thing is the one you're not expecting... Here Is A Preview Of What's Inside... True Bigfoot Stories: Someone or Something? What do you do when it turns out your whole life has been a lie? Jadie Martin was always told she was abandoned by her parents. Creatures from the 4th dimension rescued her and placed her with a loving adoptive family. Now, Jadie acts as an agent for the beings, also known as Seers. She uses the 4th dimension as a short-cut to travel anywhere on Earth, performing missions calculated to guide the world toward a brighter future. But then Jadie discovers that her origin story is fake. In reality, her birth family has suffered multiple tragedies and disasters engineered from 4-space, including the devastating loss of their baby girl. Her! Doubting the Seers, Jadie starts anonymously observing her long-lost family. Why are they so important? What are the true intentions of the Seers? And what will all-powerful four-dimensional beings do to a rebellious human girl when they realize she's interfering with their plans? A Wrinkle in Time meets Flatland in this thrilling journey that challenges the meaning of family, loyalty, and our universe at large. A Junior Library Guild Gold Standard Selection Cutting-edge explorations and discussions of DMT experiences and plant sentience from leading luminaries in the field of psychedelic research • Includes contributions from Rupert Sheldrake, Rick Strassman, Dennis McKenna, Graham Hancock, Jeremy Narby, Erik Davis, Peter Meyer, David Luke, and many others • Explores DMT beings, plant sentience, interspecies communication, discarnate consciousness, dialoguing with the divine, the pineal gland, the Amazonian shamanic perspective on Invisible Entities, and the science behind hallucinations Encounters with apparently sentient beings are reported by half of all first time

users of the naturally occurring psychedelic DMT, yet the question of DMT beings and plant sentience, interspecies communication, discarnate consciousness, and perhaps even dialoguing with the divine has never been systematically explored. In September 2015, ten of the world's leading luminaries noted for exploring the mysterious compound DMT (dimethyltryptamine) gathered with other researchers at Tyringham Hall in England to discuss the subject. Over three days, they pooled their expertise from a wide range of subjects--archaeology, anthropology, religious studies, psychology, neuroscience, chemistry, and psychopharmacology, to name a few--to explore the notion of "entheogenic plant sentience" and the role of DMT as a conduit between Spirit and Matter. Offering cutting-edge insights into this visionary domain, this book distills the potent exchange of ideas that occurred at Tyringham Hall, including presentations and discussions on DMT entities, the pineal gland, the possibility of DMT as a chemical messenger from an extraterrestrial civilization, the Amazonian shamanic perspective on Invisible Entities, morphic resonance, and the science behind hallucinations. Contributors to the talks and discussions include many leading thinkers in this field, including Rupert Sheldrake, Rick Strassman, Dennis McKenna, Graham Hancock, Jeremy Narby, Erik Davis, Ede Frecska, Luis Eduardo Luna, Bernard Carr, Robin Carhart-Harris, Graham St. John, David Luke, Andrew Gallimore, Peter Meyer, Jill Purce, William Rowlandson, Anton Bilton, Vimal Darpan, Santha Faiia, and Cosmo Feilding Mellen. Roy Fontaine, also known as Archie Hall, was a butler to Britain's aristocracy, and a rumoured lover of Prince Charles' great-uncle, Lord Mountbatten. He was also a serial killer whose modus operandi was to gain the confidence of his wealthy employers before taking their jewels and then their lives. The Butler Did It is the dark and strange story of an unusual friendship between screenwriter Paul Pender and Roy Fontaine, who considered Pender an ally and asked him to write his life story. In a chilling twist, Fontaine then threatened to kill Paul. In *The Butler Did It*, Paul Pender reveals the secrets of Roy Fontaine's double life and describes his often terrifying, yet blackly humorous, encounters with a convicted serial killer. IS ONLINE DATING NOT WORKING for you? It may be because your profile pictures and bio are poorly executed, or because you do not know how to identify your best matches, or because you can't be bothered to work harder or smarter at it, or because you are emotionally not ready to be Internet dating in the first place. Fix these things and you will boost your chances within online dating apps. My new Internet dating book will teach you the secrets and best practices you need to know to achieve this. Read it and learn the latest strategies, ideas, tips, research-based guidelines and innovations that will take your online dating bio to new levels of excellence.

ONLINE DATING BOOK - ORIGINAL IDEAS My definitive guidebook will show you how to become an 'emotional detective' — by forensically analysing the clues and hidden messages within the words and photos online singles post in their dating app profiles you will learn to identify narcissists, liars and those concealing truths, BEFORE meeting them, saving you time and energy.

BEST INTERNET DATING APP BIO TIPS My book will teach you how to create and optimise your online dating app profile to attract the best matches — revealing why you should never wear sunglasses in your image bio, why you should always smile and why you should always include a written summary. This guide details the essential rules of engagement and online etiquette that you need in order to successfully navigate the precarious landscape of Internet dating apps.

BEST ONLINE DATING APP SITES - MEN AND WOMEN The narrative reviews the leading online dating sites, with guidelines about which apps to download, and which options are free or paid for. It also explains online dating terms such as 'ghosting', 'benching' and 'catfishing' — why they happen, and what you can do about them.

MY STORY ON ONLINE DATING APPS

The book profiles my time as an over-40s man engaged with online dating apps, during which period I was stood up, ghosted, verbally abused, propositioned for sex and asked to be a surrogate father to an unborn child. The lessons I learned have been encapsulated in this book for the benefit of men and women engaged with online dating sites and apps such as 'Tinder', 'Bumble', 'Hinge' and others, and who wish to avoid the first date mistakes that I made.

STATE OF INTERNET DATE My book also provides an overview of Internet dating's major issues, including;

- Why you have a less than 20 per cent chance of finding love online.
- Why black women who

seek love should never use 'Tinder'. • Why all online dating apps should carry a government health warning. • Why Internet dating apps would prefer that you don't find love. • Why 90 per cent of online daters may not actually want a relationship. **TOP RATED READS FOR 2019/2020 FOR MEN & WOMEN** This dating book is set to become the top recommended paperback for men and women on the subject of online romance. Whether we like it or not, the future of how people meet is digital, and so the sooner singles learn to master it by using my book, the better. If you change your approach you will get better matches that will bring you closer to finding what you are looking for. Get the book now, and start. **Clothes Encounters of the Divine Kind** is a recapitulation of the author's life from early childhood to the present time and the role that her passions for fashion and healing played in her own spiritual awakening. While it seems like an autobiography, in truth, it is an invitation for the reader to take that tumble down the rabbit hole and dare to wear the clothing of their dreams while learning about and experiencing the wonderful healing benefits of clothing & colors. An added benefit is that it is jam packed with ideas for dressing to express rather than the old dress for success paradigm. Hop on the Peace Train to experience true Freedom! A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. It is 1946, and former debutante, Sally Jardine-Fell, is in prison, awaiting trial for a murder she didn't commit. Do spirits feel & think? Does death automatically promote them to a paradise-or as some believe, a hell? Writers have a reputation of being tortured souls languishing among the living. Does the unrest continue in the afterlife? Sam Baltrusis, author of **Wicked Salem: Exploring Lingered Lore and Legends**, revisits the haunts associated with America's most beloved writers of ghost stories, including Edgar Allan Poe's enduring legacy in New York City to Nathaniel Hawthorne's indelible imprint at the House of the Seven Gables in Salem, Massachusetts. Armed with the ghost lore and legends associated with these unforgettable literary icons, Baltrusis breathes new life into the long departed. Do you have an irritating feeling on the inside? Is there something mysterious hindering you, pulling you down, and holding you back? What could it be? It might be the primal and painful human emotion of shame. Shame is an intimidating feeling of inferiority. **SHAME OFF YOU** focuses on the shame connected with mental health struggles. This book will take you on a pilgrimage for your soul, embracing the ancient wisdom of the Biblical narrative of shame. Underlying this ancient and timeless wisdom is a down-to-earth biography of Rob's journey of steadfast faith in God while navigating through the turmoil of shame, panic attacks and chronic anxiety. Be assured that this book is readable, relatable and profoundly practical. Each chapter offers a fresh and insightful perspective on the nature of shame and the collateral damage caused by shame. Gain invaluable knowledge of the catastrophic birth of shame, shame triggers and the damaging shame narrative. If shame can get on you, then shame can get off you. Don't settle for concealing, distracting and numbing your shame. You will not mislead with a magical formula of recovery or a one-size-fits-all solution. The way out of shame is a daring journey that encompasses courageous vulnerability and dramatic ebbs and flows. Are you ready to be a shame buster? Start reading and start moving in partnership with the Holy Spirit into shame-free living. Join Senior Citizens and Full-Time RVers Rip and Rapella Ripple for Three Full-Length Adventures of Mystery and Mayhem **BOOK 4: RIP YOUR HEART OUT** - While celebrating their fiftieth wedding anniversary on an Alaskan cruise, Rip experiences a serious cardiac event resulting in a triple-bypass. Of course, the hospital is just the beginning; the Chartreuse Caboose isn't the best place to recuperate and heal. His cardiac care nurse, Sydney Combs, has the perfect solution: her recently deceased aunt's home. But when Sydney is accused of murder, Rapella takes the case. **BOOK 5: RIPPED APART** - Rip and Rapella head to Rockport, Texas, in the wake of Hurricane Harvey, to assist their daughter and son-in-law, Regina and Milo, with recovery from the horrific storm. Rapella, with a nose for foul-play, suspects Regina's missing neighbor may have been murdered amidst the maelstrom when she discovers a mysterious note. When an anonymous tipster turns up dead, Rapella is determined to find justice for both. **BOOK 6: RIPPED OFF** - Rip and Rapella arrive in Albuquerque to surprise their granddaughter Tiffany on her thirtieth birthday. But the festivities take a chill when Tiffany and husband Chase's investment manager and close friend, Trey Monroe, is found dead in the airport with a one-way ticket to the Cayman Islands in his hand. The money Chase and Tiffany had invested through Trey is missing. Worse yet, Tiffany learns—unbeknownst to her—Chase had invested their entire savings in a risky IPO, which lands Chase in the matrimonial dog house, as well as in the big house as a murder suspect. Unfortunately, most fourth stage lung cancer patients are forced to think in terms of months, not years, before they die. Moving on into Morning tells the story of our hope, frustration, and despair during the eighteen months preceding my wife's death from lung cancer. Seventy-four of her poems, forty of her illustrations, and my narrative tell a story shared by millions of families throughout the world who have watched the departure of a loved one with a terminal illness. There are some miracles, but there are very few headlines. Elsie has left us, but she has taken us to places we may never know. Our greatest fear is the fear of the unknown. We've all had that feeling at some point, that gnawing, gut-wrenching fear that comes from our desire to know, and at the same time, not to know. When it comes to a paranormal encounter, we try to rationalize that what is happening isn't real. How could it be? Ghosts, aliens, monsters--they aren't real ... right? It must be something rational. We try to explain things to make ourselves feel safe. We try to believe that the world is still normal. But sometimes ... it's not. In My Creepy Paranormal Story: Scary Stories Inspired by Real Encounters with Ghosts, Creatures, and the Unknown we plunge deep into the terrifying world of the supernatural in a bone-chilling anthology of paranormal encounters from people who've experienced the unexplainable. These spooky selections are all based on alleged real encounters of first-hand experiences--stories so strange they will have you questioning the world you thought you knew. From ghosts, to extraterrestrials, to unknown creatures lurking in the dark, you'll be on the edge of your seat as you take an unfiltered trip through the horrifying realms of the paranormal and beyond. The events in this story are true, but the names and locations have been changed to protect the reader. Alexis is a psychic who never believed in demons until she came face-to-face with pure evil. This is a true story of her battle with a terrifying entity so powerful it turned her life upside down, tore her family apart, and put her life in danger...Her nightmare begins shortly after she and her husband relocate to a small lakeside community. After hearing rumours about the nearby Matthews residence, Alexis investigates the nineteenth century house and its spirit inhabitants. She soon finds herself caught in a demon's snare of violent fury—subjecting her to deep growls, a malevolent force attacking her in bed, and phantom apparitions, ultimately leading to a horrific spiritual battle with a demon hell-bent on her destruction. A vivid portrait of the American West follows May Dodd as she leaves the East Coast asylum to which she had been committed by her high-society family, heads west, and, with the help of a government program, ends up marrying a chief of the Cheyenne nation. John E. Mack, M.D., has investigated nearly one hundred cases of alien abduction and has conducted hundreds of hours of interviews and treatment. He takes his clients' accounts seriously, and in Abduction he makes clear why he believes their testimony may transform the foundations of human thought as profoundly as did Copernicus's proof that the earth is not the center of the universe. Writing with

the authority and insight that have been the hallmarks of his distinguished career as a psychiatrist and writer, Dr. Mack emphasizes his clients' psychological and spiritual transformations, and he illuminates the vast implications of the abduction experience for his understanding of human psychology and of our identity as a species on this planet. Traces the use of powerful gnostic visionary techniques from Hellenistic Gnosticism and Jewish merkabah mysticism, through Muhammad, the Ismaelites, and theosophical Sufism to medieval neoplatonism, and renaissance alchemy. This is a collection of haunting and horrific tales inspired by one of the most terrifying encounters I've ever had in my life. While journeying through the Appalachian Mountains in the darkness of night I was scared beyond words. To give you a little background, I have spent a better part of my life exploring forests, jungles, swamps, and mountains across several continents. I have always enjoyed the beauty and serenity of Nature. Sometimes my curiosity of natural places gets the better of me and I have on occasion headed out of these locations a little later and a little further than expected. The vastness of nearly a million acres in your backyard can be staggering to comprehend. Add to it the fact that the forest I hike is over 480 million years old. It always feels like a lost world out here. So many hidden adventures await in all that mountainous splendor and its endless cavernous depths. It's a siren's call pulling me ever forward into those emerald recesses. Call it fate, bad luck, or maybe even a good omen, but on June 11th of 2022, I encountered something that still gives me a shudder on occasion. Especially when I look out to the back country of the Appalachian Mountains. An unnerving chill seems to run down my spine watching the sway of those distant towering pines. The horrific experience certainly ran the Dweller out of the darkness...for a little while. I ask you to join me on a journey both haunting and horrific. As you stare out to those swaying, ancient trees reading our book, maybe you notice that one tree that has a monstrous shape behind it. Maybe the shadow lurking behind that same tree looks at you curiously...for now. After a murder at their neighbor's Hampstead birthday party, is followed up by a killing at the Villa Byzantine, Antonia Darcy and Major Hugh Payne must sort through a number of varied suspects, including a royal biographer, an elderly researcher, the second victim's daughter and an aging actress. By the author of *The Curious Incident at Claridge's*. A canine guide to British holidays, seeking out the best dog-friendly days out, beaches, hotels, pubs, campsites, cottages and holidays. An amusing and informative guide, illustrated with photos of different dogs, from pedigrees to mutts, at various locations around Britain. The book builds on the success of the website www.phileasdogg.com, which has been running for 18 months and has a mailing list and social media following in the thousands. The site's main canine correspondent is Attlee, aka Phileas Dogg, a three year old Battersea mongrel, owned by freelance journalist Jane Common. As well as Attlee, the site is written by a team of Rover Reporters from as far afield as the Shetland Isles and Cornwall. In the short time it's been running, the site has been picked up by *The Evening Standard* and *The Guardian* - "even if you don't have a dog we urge you to read this"; *Waitrose Weekend*, *Prima*, *Real People and Dogs Today* magazines as well as generating local paper stories around the country, in places where Phileas has visited. Jane has been invited on to BBC Radio as an expert in dog travel and worked with Visit England, the Kennel Club and Battersea Dogs and Cats Home to promote dog-friendly holidays and days out. From the sea-swept shores of Cornwall to the rugged outback of Australia, Romany Jake's daughter searches for the great love she left behind On a fateful midsummer's eve, Annora Caderson witnesses a horrifying event that shatters her innocence. Expected to marry Rolf Hanson, the hero of her girlhood dreams, Annora instead flees to London, far from her family, her home in Cornwall, and her unsettling memories. In a city teeming with intrigue as Queen Victoria ascends the throne, Annora meets a man who will play a crucial role in her life. But fate intervenes once more. Amid a heated battle in Parliament, scandal erupts. Annora flees again, this time to the primitive outback of Australia, where she confronts a secret from her father's violent past. Unexpected tragedy will send Annora back to where it all began, as she comes face to face with the man she never stopped loving . . . a man who may be lost to her forever. The jailer's evil spirit torments residents. The demonic black entity appears in broad

daylight. The ghost of a trapped child still searches for her mother. These examples are just a taste of the terrifying phantoms and tortured souls that dwell in the Cage, a cottage in Essex, England, that was used to imprison those accused of witchcraft in the 16th century. When Vanessa Mitchell moved into the Cage, she had no idea that a paranormal nightmare was waiting for her. From her first day living there, Vanessa saw apparitions walk through her room, heard ghostly growls, and was even slapped and pushed by invisible hands. After three years of hostile paranormal activity, Vanessa moved out, fearing for her young son's safety. Then paranormal researcher Richard Estep went in to investigate. *Spirits of the Cage* chronicles the time that Vanessa and Richard spent in the Cage, uncovering the frightening and fascinating mysteries of the spirits who lurk within it. Sexual harassment is in the news almost every day. Countless women have been intimidated into silence or their careers and lives have been ruined because they refused to submit to unwanted sexual advances. Yet, sexual harassment coupled with corruption is not singularly an American affliction. It's an ancient disease, a truly universal tale. Dr. Raana Mahmood's story, *Courage to Stay No*, is a narrative of standing up against sexual corruption in her home country of Pakistan. It epitomizes the courage, audacity, and determination required to resist becoming a victim in a culture that places little value on divorced women. One that openly allows men to have a second, a third, and a fourth wife, all at a man's pleasure. After escaping from her husband's physical, verbal, and emotional abuse with her young son in tow, Dr. Mahmood filed for divorce and took up residency as gynecologist at a nearby hospital. After facing years of harassment from her colleagues for being a working woman, and suffering a nervous breakdown because of the vitriol, Dr. Mahmood eventually received a grant of asylum from the United States, where she became an advocate for other women looking to escape domestic violence and an inspiration to those suffering in silence. In the vein of *Reading Lolita in Tehran* and *Infidel*, *Courage to Say No* is a remarkable and empowering story for our times. The book is no mere narrative and it is not simply about the author. It is also an accurate eye-witness account of the way things were in 1930s London, in wartime Kent and Snowdonia, on a crowded troopship, in the Commonwealth Air Training Scheme, and in the Klondike goldfields and construction camps of British Columbia. With echoes of Dickens' *Pip*, Wordsworth, and *Mr. Chips*, among other things it takes a glance at climbing, the occult, flying, gold-mining, teaching (in B.C. and in London), recurrent dreams and dissociation. It is a tale of perseverance in the face of repeated disappointment, bereavement and post traumatic stress disorder. And it is an affirmation of the supreme virtue of love. EDITORIAL REVIEWS P. A. Praised by Caleb Carr for his "brilliantly detailed and above all riveting" true-crime writing, Harold Schechter brings his expertise to a marvelous work of fiction. Superbly rendering the 1830s Baltimore of Edgar Allan Poe, Schechter taps into the dark genius of that legendary author -- and follows a labyrinthine path into the heart of a most heinous crime. Nevermore A literary critic known for his scathing pen, Edgar Allan Poe is a young struggling writer, plagued by dreadful ruminations and horrific visions. Suddenly he is plunged into an adventure beyond his wildest fantasies -- a quest for a killer through Baltimore's highest and lowest streets and byways. A string of ghastly murders is linked by one chilling clue -- a cryptic word scrawled in blood. It is a terrifying lure that ensnares Poe in a deadly investigation. And along the way, his own macabre literary imagination is sparked as he unveils dark realities stranger than any fiction... For as long as the written word has existed, the *Five Books of Moses* has had the power to summon our unique and diverse voices. Its words have the power to stir our minds, our hearts, and our souls. Thousands of years after it was first recorded, we still find our lives reflected in its words and can be inspired by those words. In this poignant collection of brief essays, over one hundred clergy from diverse religious traditions share the passages that have brought meaning to their lives. On

Sacred Ground compels the reader to ask: What is my relationship to these sacred words? In 1788 Vienna, Court Poet Lorenzo Da Ponte is putting some finishing touches on the libretto for the premiere of his new opera with Mozart, *Don Giovanni*. A huge success when it debuted in Prague, the Emperor has decreed that it shall be performed in Vienna. But Joseph II is off prosecuting a less-than-popular war against the Turks, and the city itself is in a bit of turmoil. There are voices protesting the war, others who see Turks around every corner. Da Ponte, however, just wants to do his work and enjoy life. Alas, these simple desires aren't to be easily fulfilled. First, he's been getting a series of mysterious coded notes from unknown hands, notes that make no sense to him. Then his old friend Alois, a retired priest and academic, is viciously murdered and strange symbols carved into his forehead. Summoned to the police bureau, Da Ponte learns that Alois's murder was not the first. Determined to help find his friend's killer, Da Ponte agrees to help with the secret investigation. Caught in a crossfire of intrigue both in the world of opera and politics, Da Ponte must find the answer to a riddle and expose a killer before he becomes the next victim.

Brimming with human emotion, *Dreams Remembered* is the inspiring story of Jackie Caldwell, an underprivileged boy who grew to become an extraordinary man steeped in personal and professional success. The son of sharecroppers, Jackie was born in 1940 in Parkin, Arkansas. Although he endured extreme poverty and heartache, Jackie found joy in the simple pleasures of life: nature, Little League baseball, and a colorful cast of relatives. Things began to take a turn for the better when the family left the farm and moved to the nearby town of Crawfordsville. It was here that thirteen-year-old Jackie landed his first job at a grocery store and became determined to break the inevitable cycle of despair. Empowered by unshakable faith, fortitude, and creativity, Jackie took charge of his future, graduating high school and learning the importance of hard work. As the years passed, Jackie married his soul mate, raised a family, and excelled in business. Through it all, he never forgot his humble beginnings. A true lesson in the power of perseverance, *Dreams Remembered* shares one man's strength and resilience in the face of overwhelming odds, and celebrates the courage of the human spirit. A new series that is fun to read." —Midwest Book Review "Maffini's new series . . . is off to a brilliant start with this fast-paced mystery!" —Romantic Times "Deserves top marks for creating an entertaining, fast-paced thriller filled with witty one-liners, snappy dialogue and crackling suspense." —The Strand Magazine "I'll look forward to a long life for this series." —Deadly Pleasures "Plenty of twists and turns that kept me turning the pages until the last sentence." —Dru's Book Musings "Maffini is a relaxed, accomplished and wickedly funny writer . . ." —The Times Colonist 'Sweet, funny, heartbreaking but uplifting at the same time. I absolutely LOVED this book.' Alice Fletcher doesn't like to take chances and she certainly doesn't believe in fate. Three years after the end of her last long-term relationship, she's in no hurry to risk another heartbreak. But fate has other plans. One day, on her drive home, Alice comes across a man, dazed and lost, by the side of a wrecked car. And with no one else around, Alice goes to help. TV star Jimmy Mack is riding the crest of the career wave one minute, and the next he's staring at his crashed car. But when Alice comes to rescue him, things start to look up. What Alice and Jimmy discover next changes everything. Fate might have marked them out for each other, but somehow their destinies have got tangled. Will they get their happily-ever-after, or might their time together be shorter than either of them would hope... Join Jill Steeples for this truly 'out of this world' romance and a love story to remember. Perfect for fans of Jessica Redland, Cathy Bramley and Miranda Dickinson. Please note that this book was previously published as *Desperately Seeking Heaven*. What readers are saying about Jill Steeples: 'So beautiful. So soothing. Filled me with warmth for quite sometime after reading it. Amongst all other things Jill Steeples teaches readers to dream, believe, love and live life to the fullest.' 'What a fabulous book! I was so engrossed nothing was getting in the way of reading this. The ending was not what I expected - and I've never been so pleased to be wrong footed!' 'This is so much more than a 'romance' and the twists and turns had me desperate to know how it was all going to turn out.' 'So I'm sitting here with tears streaming down my cheeks as I write. I have literally just put down this amazing book. I have read some brilliant and heart warming things in my time, but this really did get to me.' *Div In A Cry for Justice*, Shelley Hundley uses her story as a backdrop to show how she found healing from the pain, guilt, and shame of the abuse she endured as a child and how she came to know Jesus in a new way—as a righteous judge who fights for His people and takes upon Himself the burden of our injustices and pain. /div *Relates the rock band Entropy's encounters with a mysterious Grey Man and how their experiences with disturbing paranormal events led to the band's initial success, but ultimately caused their final breakup.* Sally Smith O'Rourke's enchanting debut, *The Man Who Loved Jane Austen*, established her as a gifted storyteller with an inventive imagination. Now, in her remarkable new novel, she brings to life a picturesque Rhode Island seaside town and an unforgettable heroine compelled to uncover the secrets guarded by *The Maidenstone Lighthouse*. Nestled in a coastal inlet a few miles north of Newport, Rhode Island, *Freedman's Cove* is known for its superb seafood, its postcard-pretty waterfront, and its exquisite Victorian homes—a legacy of the town's past as a summer resort for wealthy families. Manhattan antiques appraiser Susan Marks inherited one of these ornate mansions from her great aunt. After suffering a devastating loss, she retreats to *Freedman's Cove* to nurse her grief. Three months have passed since the corporate plane piloted by Susan's lover, Bobby Hayward, disappeared at sea, but still Susan dreams nightly of his safe return. Her days are filled with memories of Bobby's mischievous blue eyes, his sensual touch, and the sheer zest for living that he imparted to every moment of their time together. Amid the bracing sea air and familiar surroundings of the town where she spent happy childhood summers, Susan starts to recover her peace of mind—until she awakens one night to see an ethereal figure standing at her window. More curious than afraid, Susan is immediately intrigued by the ghost of this sad and beautiful young girl who gazes out at the *Maidenstone Lighthouse*. Delving into the story of her ancestor's tragic death brings Susan into contact with Dan Freedman, a local historian and famed artist who was once the town's teenage rebel. But even as the hours spent with Dan awaken Susan's hope

that she could someday find love again, the startling truth behind a century-old mystery emerges to shed a beacon of light on dangerous shadows in Susan's own past. . .and in her present. At once moving and suspenseful, charming and evocative, *The Maidenstone Lighthouse* is a spellbinding story of mystery, secrets, and the power of love. . . Sally Smith O'Rourke lives in Monrovia, California, where she is working on her next novel. Praise For Sally Smith O'Rourke's *The Man Who Loved Jane Austen* "With charm and wit, Sally Smith O'Rourke weaves an enchanting, clever, and often haunting tale of high romance, of hearts reaching out to one another across the ages, and of the timeless search for true love. To be read with an expectation of pleasure." --Peter Pezzelli, author of *Francesca's Kitchen* "O'Rourke alternates between the past and the present in this fascinating novel that pays tribute to Jane Austen's enduring ideals of romantic love." --Booklist "In *The Man Who Loved Jane Austen*, Sally Smith O'Rourke confirms what readers have always hoped for--that Mr. Darcy is real, and that he's even more dashing and romantic than we imagined. This wonderfully conceived novel is fresh, original and rewarding." --Susan Wiggs "O'Rourke's latest is mysterious yet romantic as she reveals secrets of Jane Austen's life." --Romantic Times "For all of those readers who longed for Jane Austen to have the kind of love she gave her characters--and for all those readers who longed to have Fitzwilliam Darcy to themselves. Sally Smith O'Rourke gives us access to one of our most beloved writers and our favorite characters. A wonderful, magical read." --Jessica Barksdale Inlan Originally published in hardcover in the United States by Delacorte Press, 2014.
