Yeah, reviewing a books **Good Night Mr Holmes Irene Adler 1 Carole Nelson Douglas** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, carrying out does not

suggest that you have fabulous points.

Comprehending as well as concurrence even more than new will meet the expense of each success. neighboring to, the proclamation as well as keenness of this Good Night Mr Holmes Irene Adler 1 Carole Nelson Douglas can be taken as without difficulty as picked to act.

Winner of the American Mystery Award for Best Novel of Romantic Suspense, and the Romantic Times Award for Best Historical Mystery Miss Irene Adler, the beautiful American opera singer who once outwitted Sherlock Holmes, is also a superb detective, as Oscar Wilde and Bram Stoker can attest. Even Holmes himself must admit--albeit grudgingly--that she acquits herself competently. But in matters of the heart she encounters difficulty. The Crown Prince of Bohemia--tall, blonde, and handsome--proves to be a cad. Will dashing barrister Godfrey Norton be able to convince Irene that not all handsome men are cut from the same broadcloth? Guy Ritchie is directing a new film for Warner Bros. based on the life of Sherlock Holmes, due out in the fall of 2009. Robert Downey Jr. is Holmes, Jude Law is his able sidekick Dr. Watson. Rachel McAdams portrays Irene Adler, a femme fatale who Holmes always considered to be "the woman"--and who outwitted Holmes when few could. Her mission on behalf of Oscar Wilde, her discovery of Marie Antoinette's Zone of Diamonds, her capture of a murderer in Bohemia, her insights into Bram Stoker's tea party, and her battle with Sherlock Holmes, all demonstrate the genius of Miss Irene Adler, the beautiful and mysterious American opera singer. Reissue. Contacted by a woman with whom he had an affair years earlier, Myron Bolitar learns how she has been wrongfully accused of murdering her ex-husband, a situation that is further complicated by a long-hidden family secret. A selection of six of the finest of the Sherlock Holmes mystery stories. A tie-in edition of Conan Doyle's first collection of Sherlock Holmes stories, with an introduction by Sherlock creator Mark Gatiss. The hit BBC series Sherlock offers a fresh, contemporary take on the classic Sir Arthur Conan Doyle stories, and has helped introduce a whole new generation of fans to the legendary detective. In this new edition of Conan Doyle's first collection of short stories, Sherlock co-creator Mark Gatiss explains how these gripping tales inspired and influenced the new series. Sherlock: The Adventures of Sherlock Holmes contains twelve short stories first published in The Strand magazine between 1891 and 1892 and then published as a collection in October 1892. It includes some of Conan Doyle's best tales of murder and mystery, such as 'The Adventures of the Speckled Band', in which the strange last words of a dying woman 'It was the band, the speckled band!' and a inexplicable whistling in the night are the only clues Sherlock Holmes has to prevent another murder; and 'The Five Orange Pips', in which an untimely death and the discovery of the letter containing five orange pips lead to a cross-Atlantic conspiracy. It is 1868, the week that Benjamin Disraeli becomes Prime Minister of the Empire. Sherlock's beautiful but poor admirer, Beatrice, the hatter's daughter, appears at the door late at night. She is terrified, claiming that she and her friend have just been attacked by the Spring Heeled Jack on Westminster Bridge and the fiend has made off with her friend. At first Sherlock thinks Beatrice simply wants his attention, and he is reluctant to go back to detective work. He also believes that the Jack everyone fears is a fictional figure. But soon he is suspicious of various individuals, several of them close friends. Set at a time when many in England were in a state of fear because a Jew was running the country, Shane Peacock presents a compelling story filled with an atmosphere of paranoia and secrets and surprises played out on late-night London streets. Sherlock gets drawn deeper and deeper into the pursuit of the Spring Heeled Jack, whose attacks grow in number until it seems that there are Jacks everywhere. The Secret Fiend is the fourth book in Shane Peacock's award-winning Boy Sherlock Holmes series, combining brilliant storytelling with fascinating historical detail and a mystery worthy of one of the greatest sleuths in English literature. Night Break is the eighth in the Young Sherlock Holmes series in which the iconic detective is reimagined as a brilliant, troubled and engaging teenager -- creating unputdownable detective adventures that remain true to the spirit of the original books. Sherlock's mother has died, his father has disappeared in India and his sister is acting strangely. The Holmes family seems to be falling apart, and not even brother Mycroft can keep it together. But while Sherlock is worrying about all of this, a man living nearby vanishes in his own house while Sherlock and Mycroft are visiting. Where did he go, and what is the connection with a massive canal being built in Egypt? The answer will rock the world, and tear the Holmes family apart! Another fast-paced, brilliantly plotted adventure in Andrew Lane's Young Sherlock series as the teenage Sherlock Holmes comes up against a fresh crop of sinister, clever crooks. Sherlock Holmes: think you know him? Think again. From his rooms in Baker Street, Sherlock Holmes grapples with forces of deceit, intrigue, and evil in Victorian London. The Memoirs of Sherlock Holmes inspired The Map of Chaos by New York Times bestselling author Félix J. Palma. As a gift to readers, this ebook edition includes an excerpt from The Map of Chaos. She's Like a Virgin . . . Simulated for the Very First Time For a red-blooded male, Las Vegas offers a virtual smorgasbord of temptation: sexy showgirls, vampy vampires, zombie starlets, you name it. But paranormal investigator Delilah Street isn't worried about losing her man to these vixens. Especially when the one woman with a soft spot for the guy also has a hard-shelled exterior. . . . She's a robot--or a CinSim, to be exact--a near-perfect simulation of the silver-metal robot Maria from the classic

science fiction movie Metropolis. Part innocent teenage actress, part depraved sex goddess, the new Maria is hooked on Delilah's partner, Ric, who raised her from the dead. She also happens to be the perfect secret weapon for a demonic drug lord. Which could be one hell of a problem. Delilah's not the jealous type, but this tin-can temptress must be stopped—even if it forces Delilah to forge a dangerous alliance with her wicked mirror-twin, Lilith. If robo-girl goes ballistic, every player in Vegas loses. . . . Before Caleb Carr and Laurie R. King, Carole Nelson Douglas gave readers a compelling look into Victoriana with a bold new detective character: Irene Adler, the only woman to ever outwit Sherlock Holmes. An operatic diva and the intellectual equal of most of the men she encounters, Irene is as much at home with disguises and a revolver as with high society and haute couture. *Chapel Noir* is the fifth book in Carole Nelson Douglas's critically acclaimed Irene Adler series, which reinvents "the woman" that Sir Arthur Conan Doyle introduced in "A Scandal in Bohemia" as the heroine of her own extravagant adventures. This time readers are thrust into one of the darkest periods of criminal fact and fiction when two courtesans are found brutally slaughtered in the lavish boudoir of a Paris house. No woman should ever see such horrors, authorities declare, but a powerful sponsor has insisted that Irene investigate the case, along with her faithful companion, sheltered parson's daughter Penelope Huxleigh. But does anyone really seek the truth, or do they wish only to bury it with the dead women—for there is a worse horror that will draw Irene and her archrival, Sherlock Holmes, into a duel of wits with a fiendish opponent. These Paris killings mimic a series of gruesome murders that terrorized London only months before, in a dangerous and disreputable part of town known as Whitechapel . . . Amateur detective Sherlock Holmes, the master of deductive reasoning, solves several mysteries with the aid of his friend, Dr. John Watson. *Zombies and Witches and Vamps . . . Oh, My!* What happens in Vegas stays in Vegas—at least that's Delilah Street's hope. With Sin City's vampire and werewolf mobs wanting to cash in her chips once and for all, she's retreating with her partner Ric Montoya and half-wolfhound Quicksilver to her Kansas birthplace. Unfortunately, when it comes to finding trouble, there's no place like home. . . . It doesn't take long before Delilah realizes she's not in Vegas anymore. Zombie cowboys and spectral cattle drives are kicking up dust, the local weather girls are total witches who forecast perfect storms, and some Hollywood fanatic is recasting zombies as the greatest stars of the silver screen. And speaking of silver, Delilah's special affinity for the all-purpose monster-repellent leads her posse straight down a silver brick road—and into a notso- fun house of mirrors—putting her face-to-face with her dicey past and a mystery woman named Lilith, who's a real dead ringer for Delilah. The key word being dead. Sherlock Holmes' female counterpart, Irene Adler, is in Paris reading her own obituaries when a drowned sailor, recently fished from the Seine and who bears a mysterious tattoo, draws her into a new adventure. *Introduces sound using characters, places, and events from Arthur Conan Doyle's "The Hound of the Baskervilles."* These two fascinating sets of stories, "The Casebook of Sherlock Holmes" and "His Last Bow," make a glorious farewell to the greatest detective of them all and his erstwhile companion, Dr. Watson. Literature's greatest detective team investigates a dozen of their best-known cases, including "The Speckled Band," "The Red-Headed League," "The Five Orange Pips," and "A Scandal in Bohemia." A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read. For the first time in its one-hundred-and-twenty-five-year history, the Arthur Conan Doyle Estate has authorized a new Sherlock Holmes novel. Once again, *The Game's Afoot...* London, 1890. 221B Baker St. A fine art dealer named Edmund Carstairs visits Sherlock Holmes and Dr John Watson to beg for their help. He is being menaced by a strange man in a flat cap - a wanted criminal who seems to have followed him all the way from America. In the days that follow, his home is robbed, his family is threatened. And then the first murder takes place. Almost unwillingly, Holmes and Watson find themselves being drawn ever deeper into an international conspiracy connected to the teeming criminal underworld of Boston, the gaslit streets of London, opium dens and much, much more. And as they dig, they begin to hear the whispered phrase-the House of Silk-a mysterious entity that connects the highest levels of government to the deepest depths of criminality. Holmes begins to fear that he has uncovered a conspiracy that threatens to tear apart the very fabric of society. The Arthur Conan Doyle Estate chose the celebrated, #1 New York Times bestselling author

Anthony Horowitz to write *The House of Silk* because of his proven ability to tell a transfixing story and for his passion for all things Holmes. Destined to become an instant classic, *The House of Silk* brings Sherlock Holmes back with all the nuance, pacing, and almost superhuman powers of analysis and deduction that made him the world's greatest detective, in a case depicting events too shocking, too monstrous to ever appear in print...until now. Ten years after his supposed death in the swirling torrent of the Reichenbach Falls locked in the arms of his arch enemy Professor Moriarty, Arthur Conan Doyle agreed to pen further adventures featuring his brilliant detective. In this collection of tales, Doyle had lost none of his cunning or panache, and the magic remains unchanged and undimmed. Some things belong together, the one with the other, natural pairs. Sherlock Holmes and John Watson. Holmes and Watson. Sherlock and John. Whether it's in an empty house during the Blitz, a West London strip club in the 70s, or deep in the heart of a Hong Kong computer lab, the meeting of these two legendary men is inevitable. Spanning one hundred and twenty-eight years, here are the stories of that destiny. Of how a detective meets a doctor, of how they change each other in heart and mind. Of how they fall in love. The best twenty tales of Conan Doyle.

Paranormal Investigator Delilah Street--in her quest to identify the long-buried embracing skeletons she and sexy ex-FBI agent Ricardo Montoya discovered-- has to deal with a lecherous vampire, a ghoulish producer, celebrity zombies from classic films, a mysterious albino rock star who bestows addictive kisses on his groupies, and a dead girl in her mirror--and those are just her clients! Post-Millennium Revelation Las Vegas is teeming with supernaturals and run by a werewolf mob, but even the unhumans can't conceive of what Delilah discovers hidden under its damnable desert sands: unspeakably powerful evil rooted in ancient Egypt... In this brilliantly crafted pastiche, Stephen Kendrick brings Sherlock Holmes and Father Brown together in an unprecedented collaboration on a singularly shocking murder case. It is Christmas Day, 1902, and a priest's mutilated body has been found in a London church that is hosting a secret interfaith meeting to discuss the possibility of a Parliament of World Religions. A summons from the Prime Minister plunges Holmes into a case with international, political, and ecclesiastical complications. Untrampled snow surrounding the church suggests that the murderer remains within and that he is, presumably, one of the leaders of the world's great faiths. Throughout the night, as more deaths are discovered, Holmes and Dr. Watson follow one false lead after another. But with his legendary astuteness, Holmes manages to wrap the case up in less than twenty-four hours—or so it seems. Two weeks later, Father Brown, the meek young priest-translator, pays a call at Baker Street to reveal “a few loose ends.” The intersection of religion and politics, faith and sin, enmity and forgiveness—these themes are subtly interwoven into this fast-paced mystery that is filled with classic intrigue. Victorian detective Irene Adler Norton once again matches wits with the famed Sherlock Holmes as she seeks a killer before he can strike again. By the author of *Good Night, Mr. Holmes*. Reprint.

Reproduction of the original: *Adventures of Sherlock Holmes* by Arthur Conan Doyle Another fast-paced, brilliantly plotted adventure in Andrew Lane's Young Sherlock series, as the teenage Sherlock Holmes investigates a new crime and comes up against a fresh crop of sinister, clever crooks. Sherlock's mother has died, his father has disappeared in India and his sister is acting strangely. The Holmes family seems to be falling apart, and not even brother Mycroft can keep it together. But while Sherlock is worrying about all of this, a man living nearby vanishes in his own house while Sherlock and Mycroft are visiting. Where did he go, and what is the connection with a massive canal being built in Egypt? The answer will rock the world, and tear the Holmes family apart! Presenting 12 tales starring the legendary British detective Sherlock Holmes, this 1892 book is Arthur Conan Doyle's first short-story collection. The mystery compilation includes some of Holmes's finest cases with his dutiful sidekick, Doctor Watson, most notably "A Scandal in Bohemia," in which Holmes matches wits with the crafty former lover of a European king. Also featured is "The Adventure of the Red-Headed League," a study in misdirection that unfolds to become a much larger scheme. The stories, initially published in the *Strand Magazine*, are essential reading for Holmes fans. Lestrade felt his heart fall through his rib-slats and hit the floor. “Bradstreet, please tell me you did not bring Mr. Holmes in while I was stark staring mad.” “What do you take me for? He came himself. Needed a clip of your hair.” “What in God's Teeth did he want with a clip of my hair?” Lestrade shouted. All things considered, he was proud of himself for not screaming. Without intending it, he reached up to seek out that offending spot in the back. With horrible clarity he now knew the cause of his earlier hair-dressing dilemma. A collection of Sherlock Holmes mystery adventures. Paranormal investigator Delilah Street, who watched underworld beings like vampires and witches move into the real world during a Y2K television broadcast as an orphan, moves to Las Vegas to search for a possible blood relative shown on CSI. It was the revelation of the millennium: witches, werewolves, vampires and other supernaturals are real. Fast-forward 13 years: TV reporter Delilah Street used to cover the small-town bogeyman beat back in Kansas, but now, in high-octane Las Vegas—which is run by a werewolf mob—she finds herself holding back the gates of Hell itself. But at least she has a hot new guy and one big bad wolfhound to help her out... Back by popular demand, the world's most famous detective returns from a seemingly fatal encounter with his nemesis, Professor Moriarty. Thirteen stories include "The Empty House," "The Dancing Men," and "The Six Napoleons." The intrepid London detective, with the help of his companion, Dr. Watson, investigates a variety of intriguing mysteries From “A Scandal in Bohemia,” in which Sherlock Holmes is famously outwitted by a woman,

the captivating Irene Adler, to “The Five Orange Pips,” in which the master detective is pitted against the Ku Klux Klan, to “The Final Problem,” in which Holmes and his archenemy, Professor Moriarty, face each other in a showdown at the Reichenbach Falls, the stories that appear in *The Adventures and Memoirs of Sherlock Holmes* bear witness to the flowering of author Arthur Conan Doyle’s genius. “The plain fact,” the celebrated mystery writer Vincent Starrett asserted, “is that Sherlock Holmes is still a more commanding figure in the world than most of the warriors and statesmen in whose present existence we are invited to believe.” In Paris with her husband, Godfrey Norton, and her friend, Penelope, Victorian opera star and amateur sleuth Irene Adler becomes involved in the case of a corpse that has washed up on the shores of the Seine. Originally published as *Good Morning, Irene*. Reprint. Captain Peter, called also “Black Peter” because of his dark moods, is found dead. The police inspector Hopkins tries to find the murderer but without any success. He then contacts Holmes asking him for help with the case. Holmes and Hopkins are at the crime scene where they decide to hide and see if the guilty one will show up again. And then a young man enters the room. What happened afterwards? Did they catch the murderer or there is something more to the story? Will Holmes solve the case or this one will be harder than expected? Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship’s surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction. Teen Sherlock battles a monstrous adversary on a mission to Ireland with his brilliant brother, Mycroft. Young Sherlock is thrown into a tangled web involving a spiritualist whose powers have attracted the attention of governments around the world. At the castle where the medium is demonstrating his “gift,” Sherlock finds a household in turmoil. Servants and some of the guests are frightened but who--or what?--has terrified them so much that nobody will speak out? Young Sherlock must bring all his powers of deduction to bear in unraveling his greatest mystery yet. *Sherlock Holmes: Think you know him? Think again.* The *Memoirs of Sherlock Holmes*, published in 1894, is the second collection of Sherlock Holmes stories published in book form. All of the stories included in the collection previously appeared in *The Strand Magazine* between 1892 and 1893. They purport to be the accounts given by Dr. John Watson of the more remarkable cases in which his friend Mr. Sherlock Holmes becomes involved in his role as a consulting detective. This collection has several memorable features. The first British edition omitted the story “The Adventure of the Cardboard Box” which appeared in *The Strand* in 1893. This story did appear in the very first American edition of the collection, immediately following “Silver Blaze,” but it was quickly replaced by a revised edition which omitted it. Apparently these omissions were at the specific request of the author, who was concerned that its inclusion of the theme of adultery would make it unsuitable for younger readers. The story was, however, eventually included in the later collection *His Last Bow*, but it is out of chronological position there. In this Standard Ebooks edition (as in most modern British editions), we have included this story to restore it to its correct chronological place in the Holmes canon. The *Memoirs of Sherlock Holmes* is also notable because by this time Doyle had tired of the Holmes character and decided to kill him off, so that this was intended to be the last Holmes collection ever to be published. It contains several of the best-known Holmes stories, including “Silver Blaze,” “The Musgrave Ritual,” and “The Greek Interpreter,” which introduces Sherlock’s brother Mycroft; and of course “The Final Problem” in which Holmes struggles with his nemesis Professor Moriarty. This book is part of the Standard Ebooks project, which produces free public domain ebooks. The entire series of Sherlock Holmes stories by Arthur Conan Doyle is now available in large print, using the best practices for senior readers and those who are visually impaired. Each story includes the original Sherlock Holmes mystery as well as a note from the series editor, Craig Stephen Copland, the author of the *New Sherlock Holmes Mysteries* books. Shoscombe Old Place is known for its race horses and pure bred spaniels. The owner, according to his head trainer -has gone mad.- Not only is he acting strangely, he has been visiting old crypts under abandoned churches in the idle of the night. Sherlock Holmes agrees to look into the mystery and ends up revealing a seriously creepy set of events that are tied to an enormous bet on a race horse. These books are great gifts for someone you care about who needs a larger size print to be able to enjoy these wonderful stories.
