Developed in partnership with Discovery Education, Eyes Open features stimulating global topics to motivate students and spark their curiosity. Guided, step-by-step activities and personalised learning tasks lead to greater speaking and writing fluency. One third of each unit is dedicated to skills training. The step-by-step approach focuses on writing and early literacy skills to build children's confidence in reading, writing, speaking, and understanding English. One in six lessons is a phonics lesson to train children to recognize and produce English sounds. At levels 1-3 the lessons are supported by flashcards, and by more activities on the Student MultiROM. The civic education syllabus educates children in good values and behaviour. The Photocopy Masters Books at levels 1-2 include 15 values worksheets. The Testing and Evaluation Book and the test builder element of the Teacher's Resource CD-ROM help teachers to evaluate children's progress. One lesson per page with clear lesson objectives makes the course easy to teach. Accompanying resources, including the Grammar Friends series, skills series, Teacher's Resource Pack, course readers, and Teacher Resource CD-ROM allow teachers to focus on additional skills training and means the course can fit different teaching programmes per week. "A research-based ... grammar series for beginning- to advanced-level students of North American English. The series focuses on the grammar structures most commonly used in North American English, with an emphasis on the application of the grammar structures to academic writing. ... It is designed for use both in the classroom and as a self-study learning tool"--Introduction. The Inside Series is a five-level academic skills series that helps students in higher education to succeed in their studies and beyond. The series uses large, humorous scenes to develop speaking, listening, and pre-

writing skills. The learning activities and games in Magic Time appeal to student's playful energy through colorful art, music, and movement. The syllabus progresses at a natural, steady pace and offers students many opportunities to practice new language. Magic Time is followed by the six-level communicative series English Time. These two series can be used separately or as one complete eight-level course. Magic Time Workbook 2 provides additional reinforcement for each page in Magic Time Student Book 2. Success from the very beginning 1. It gets children talking from the very beginning with conversation, and question and answer practice. 2. It teaches each language pattern step by step and repeats it with plenty of practice which leaves every child feeling "I can do it!" 3. It uses children's natural skills through music and movement with the acclaimed Carolyn Graham's fabulous songs, chants and drum tracks - so they will remember the language and build their fluency. 4. The lessons are systematic, clear and so involving that everyone knows what to do and no child is left behind. Let's Read... Now there are new phonics and reading lessons to help children read fluently too! Provides carefully scaffolded writing activities and further reading texts so that students can put the language they learn into practice. In every unit there are opportunities for the children to think creatively and build upon what they have learned in the Student Book, particularly in the story, values and cross-curricular lessons. Opportunities for personalisation, including short end or unit projects to take home. Enhanced lesson-for-lesson activities provide parents with step-by-step instructions to better support their child with their homework.
